ST. HERMAN OF ALASKA
ORTHODOX CHURCH, STAFFORD, VA

Master Iconographer, and Instructor for the Prosopon School of Iconology, **Fr. Igumen Mefodii**, from the Skete of St. Maximos the Confessor in Palmyra, VA, will return to lead our annual 6-day retreat.

Beginning and intermediate students will paint the sacred icon of the **Holy Theotokos, Vladimir Virgin** and Intermediate/Advanced students will do **St. George and the Dragon.** Both are in the Russian-Byzantine style of the 15-16c. using egg tempera, 23k gold leaf, on a wooden board with kovcheg.

The focus will be the iconographer's spiritual growth, bringing the heart, mind, and hand together, through immersion in lectures, prayer, and the practice of iconography.

Those of all levels of experience are welcome. Register now as space is limited to 15. For more information about our icon workshops and monthly icon guild meetings, visit www.sthermanorthodox.org and contact Mat. Joanna: lightwriters77@gmail.com
